Weekly Report

19-25-Apr-2026

CKEditor – Company List (16,000+ users)

\$767.84

Spend

2,785

Reach

3.64

Avg. Frequency

0.35%

CTR

Spent this week: \$768

Reach: 2,785 users (15.5% audience penetration)

Top companies engaging: SAP (26% of clicks, 0.31% CTR), JPMorganChase (29% of clicks, 0.46% CTR), and Siemens (23% of clicks, 0.42% CTR). Engagement is now spreading across all three top accounts rather than concentrated in one.

Top Personas engaging: Product Managers remain dominant (54% of clicks, 0.54% CTR). Lead Software Engineers continue to show strong engagement (17% of clicks, 0.75% CTR). UX Design Specialists emerging as a new engaged persona (9% of clicks, 0.86% CTR).

Lead form opens: 21 (0 completed submission)

Next steps: Average CPC is \$34.95. Budget has been reallocated from the video campaign to lead gen, but the campaign may need additional budget given the high CPC.

CKEditor – Contact List (5,400+ users)

\$370.35

Spend

802

Reach

1.97

Avg. Frequency

0.25%

CTR

Spent this week: \$265

Reach: 751 users (15.3% audience penetration)

Frequency: 2.7

Top companies engaging: Microsoft leads impressions (11%), followed by JPMorganChase, Siemens Healthineers, and Siemens. All company-level click data is below reporting minimum.

Top Personas engaging: All job title-level click data is below reporting minimum. Product Managers and Directors of Product Management lead impressions.

Lead form opens: 2 (no completed leads yet)

Next steps: Pausing Contact List due to low engagement from this small audience. Reallocating budget to Company List to increase frequency and reach.
